BILL NUMBER: SB 198

BILL AMENDED:

SUBJECT: State Contracts and Grants.

FIRST AUTHOR: Sen. Walker

FIRST SPONSOR:

BILL STATUS: As Introduced

FUNDS AFFECTED: X GENERAL
DEDICATED
X FEDERAL

IMPACT: State

Summary of Legislation: This bill prohibits state agencies from entering contracts with or making grants to Planned Parenthood of Indiana.

The bill cancels state funding for any current contracts with or grants to Planned Parenthood of Indiana.

Effective Date: Upon passage.

Explanation of State Expenditures: The bill would impact a current appropriation to Madison State Hospital (MSH) and grants and contracts made by the Family and Social Services Administration (FSSA) for the Social Services Block Grant (SSBG) and the Indiana State Department of Health (ISDH). It may also prohibit Planned Parenthood from participating as a Medicaid provider.

The bill would require the Director of the State Budget Agency to notify Planned Parenthood of Indiana that funds are not appropriated or otherwise available to support the continuation or performance of the contract with Madison State Hospital. The MSH contract expires 6/30/2011, and is for \$1,200 annually. The bill would also impact the two-year contract expiring 9/30/2010 that the FSSA has with Planned Parenthood for family planning services for low-income individuals. ISDH also has a contract with Planned Parenthood for sexually transmitted disease intervention services in the west central part of the state expiring 12/31/2009. The bill would prevent any further contracts or grants with Planned Parenthood.

The Medicaid provider agreement is a contract. This bill could potentially impact Planned Parenthood's ability to bill for Medicaid services.
